

PREMIUM METAL CABLE GLANDS (HIGH TEMP WITH LOCKNUT)

Material : Sealing Nut, Body, Locknut - Nickel Plated Brass
 Claw - Nylon PA
 Rubber seal - White silicone
 Washer - White Silicone

IP Rating : IP68

Operating Temperature : -40°C to 105°C

Maximum Temperature : 200°C

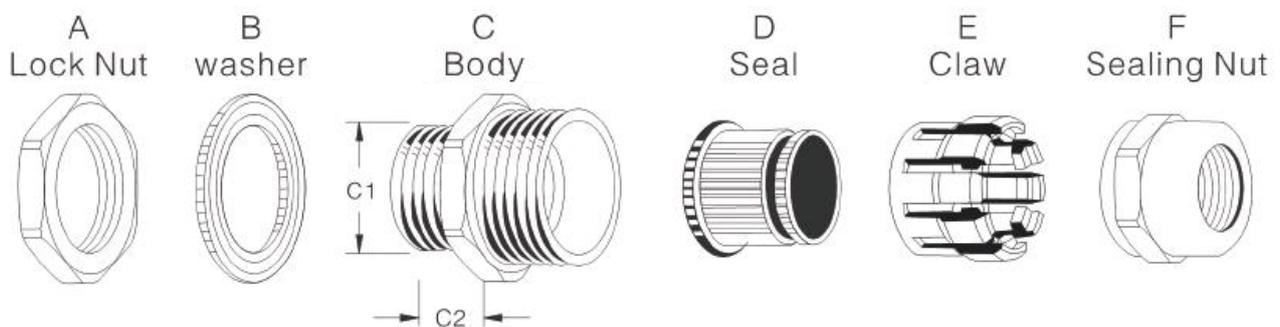

Features : Halogen free, low smoke

Compliance : RoHS, IEC 62444

**All dimensions in millimetres unless specified*
